COVID-19 RELATED SAFETY AND CLEANING GUIDELINES

Coastal Virginia Community Rowing (CVCR) cannot guarantee that all equipment is free from contamination or water-borne illness. Any participants using CVCR's equipment shall be responsible for their own health. This document provides procedures to reduce this risk as much as possible through special cleaning and social distancing guidelines.

It is important to note that the CDC has stated that the risk for spread of COVID-19 from contaminated surfaces is much lower than originally reported. According to the CDC, the virus is rapidly degraded when exposed to sunlight, and outdoor areas generally require normal routine cleaning but do not require disinfection. There is much higher risk of infection if respiratory droplets are ingested through one's nose, face, eyes, or mouth.

CVCR coaches and participants must follow all laws, regulations, mandates, and rules from federal, state, or local authorities. These public health guidelines include, but are not limited to, practicing social distancing, reducing group sizes, wearing masks when in public, and self-reporting if one test positive for or has been exposed to COVID-19. The information in this document shall be reviewed with all participants, parents, and coaches before holding any in-person sessions.

Daily Use Requirements

MASKS: All participants and coaches must wear a mask when at the site. These masks shall be worn from the time one leaves their vehicle and while at the site. It is permissible to remove one's mask once on the water and ten feet or more from the dock, and/or when ten feet from another athlete or coach. Masks must be put back on before docking or within ten feet from another athlete or coach and shall not be removed until back in one's vehicle.

EQUIPMENT: Coaches will supervise the cleaning of all contact areas of rowing equipment used during a practice session. Rowing machines (also know as "ergs") will be cleaned after each use and stored in an area protected from the elements.

PARTICIPANT SUPPLIES: Each participant in a program or rowing session during the pandemic shall be responsible for providing certain supplies. These items include: 1) enough water to safely participate in practice as it is not permissible to use water fountains, 2) bottle of hand sanitizer for personal use only, and 3) disinfecting wipes or spray to clean off one's equipment after each use.

REQUIRED QUARANTINE & REPORTING: Any individual known to have been exposed to a person who has been sick and/or diagnosed with COVID-19 must self-report to their assigned coach as well as CVCR via cvcrowing@gmail.com. Any changes in regulations or guidelines from CVCR, USRowing, or other governing bodies shall be sent out to all participants by CVCR via electronic means.
